Dear Dr. Singh,

This is to certify that all successfully passed out IMA students (all verticals) are eligible to apply for the Degree certification which will be awarded by New World Mission Dunamis International University – NWMDIU on the basis of their prior learning & successful course completion at IMA.

There will be no additional examination for the students applying for degree under recognized prior learning (RPL) program as NWMDIU has already validated & accredited all the courses offered by IMA (all verticals).

Thanks,

President
